A NEW ERA
IN GAMING
SOFTWARE

ATARI® 5200™

The ATARI® 5200™ brings the realism of high resolution arcade-quality graphics right into your living room with a collection of favorites like PAC-MAN³, GALAXIAN⁴ and many others!

The television screen will come alive with action, color and excitement. Realistic sound effects add to the fun, with booms, blasts and bangs that will make you feel like you're really there.

Players can enjoy upgraded 2600 favorites, plus new games unique to the 5200 system. The options for fun are unlimited because ATARI will continue to support the 5200 with a rapidly expanding library of sophisticated cartridges.

The ATARI 5200 comes with the SUPER BREAKOUT™ game cartridge.
